Our Twenty-seventh January Sale of MUSLIN UNDERWEAR

Begins To-day, January Second.

EVERY garment in the entire collection is the best of its kind, and represents the fullest value, whether it be a twenty-five cent corset cover or a fifty dollar bit of delicate Parisian lingerie.

The domestic goods come from the leading American factories—fresh, crisp garments, made for us in the way we want them, from materials of a quality high enough to satisfy the most particular of our customers. The imported lines include some very handsome specimens of hand embroideries and daintiest of creations in lace and ribbon direct from Paris. And there is a vast variety of patterns and prices, ranging from the plainest for everyday wear to the most luxurious garments that come across the sea.

The few garments enumerated below are merely suggestive of a stock of underwear that is intrinsically the best we have ever offered.
